

**COMPANHIA DE SANEAMENTO DO PARANÁ – SANEPAR****PUBLICLY- HELD COMPANY****CVM REGISTRY nº. 01862-7****CNPJ nº. 76.484.013/0001-45****NOTICE TO THE MARKET**

**Companhia de Saneamento do Paraná – Sanepar**, in compliance with the dispositions of CVM Instructions and in addition to the Notice to the Market of July 20, 2020, communicates to its shareholders, investors and the market at large that *Ministério Público do Paraná* (Paraná State Prosecution Service; “MPPR”) filed a complaint under “Operation Ductos”.

Sanepar also informs that, at the time of “Operation Ductos”, it removed, warily, all the employees involved and created an internal investigation task. This commission involved the Audit and Compliance areas and had the support of all the Company's technical areas. In December 2020, this internal investigation resulted in a report that was forwarded to the MPPR in Ponta Grossa, responsible for conducting the investigation.

Still in 2020, Sanepar’s Board of Directors decided to hire an Investigation Team to conduct an independent forensic investigation about allegations related to “Operation Ductos”, under the coordination of the External Investigation Commission (CEI).

The Company will communicate its shareholders, investors and the market at large about the progress of this issue.
