MATERIAL FACT

Companhia de Saneamento do Paraná – Sanepar in compliance with the provisions of CVM instructions, communicates to its shareholders, investors and the market at large, that in a meeting of the Board of Directors held on this date, the Company's adherence to Public Call No. 2/2018 was approved, which refers to the project "Restoring populations of extinction risk flora of the Atlantic Forest biome in the State of Santa Catarina", through the Conversion of Indirect Environmental Fine of the Environmental Infraction Notice "AIA" no. 494091 / D of July / 2008 of the Brazilian Institute of Environment "IBAMA".

In September / 2020, Sanepar received from IBAMA the Notice of Appeal Decision that consolidates the amount of the debt of said AIA, which established a fine for exploration of underground water in the Karst Aquifer, without a competent environmental license. After partially accepting the administrative appeal filed, it granted the request to join the solution for the conversion of fines with a 60% discount.

The referred debt, consolidated in August / 2020, is BRL 47.4 million and, with the discount of 60% of the environmental conversion, the debt will decrease to BRL 19.0 million, being able to be paid in 24 installments, updated by the Selic rate.
